F. Strategic Planning 2020 and Beyond  
   Steve Morris, PT, PhD

   1. The Academy is in a period of positive transition and has seen successes over the past 12-18 months.
   2. J Druein was successful in having IPT-HOPE recognized as a subgroup of WCPT.
   a. A Newstead assisted and will take over as the Academy’s WCPT Liaison.
   3. ML Galantino has represented the Academy as a liaison to the Commission on Cancer (CoC).
   a. New accreditation standards have been successfully developed on the topic of cancer rehabilitation.
   4. MPfarr has joined the Board of the National Accreditation Program for Breast Centers (NAPBC), serving on a subcommittee for rehabilitation.
   a. NAPBC standards will more closely align with CoC in the future.
   5. The Research Committee has had a record number of abstracts submitted.
   6. January 15, 2021 will be the 100-year anniversary of APTA.
   a. The Academy and its members will engage in celebrating the centennial.
   7. C Wilson has advanced efforts to expand residencies in the area of oncology.
   a. There are now 3 accredited oncology residencies: Beaumont, Duke, and Baylor
   8. New Special Interest Groups (SIGs) have been formed:
   a. Balance and Falls SIG
   b. Oncologic Residency SIG
   9. Student and New Professionals in oncology interest group meeting at CSM.
   a. A number of innovative ideas were created and prioritized.
   b. These ideas will be further refined and concrete goals will be developed.

G. Poster & Platform Award Winner Presentation
   Research Committee

   **Platform:**
   - **Student:** T Serrano, V Gorgi, N Sami, K Lee, C Dieli-Conwright: “Effects of aerobic and resistance exercises on lean mass and insulin resistance in obese BCS”
   - **Non-student:** R Neuhold, B Hile: “Case report of intramuscular dry needling-electrical stimulation to facilitate hand function after brain tumor resection”

   **Poster:**
   - **Student:** J Leano, R Lampinen, J Lee, B Smoot: “Treatment of BCRL with a negative pressure device: A pilot randomized control trial”
   - **Non-student:** R Marker, J Scarsone, J Peters: “Relationship of QOL and fitness changes in cancer survivors following an exercise program”

H. Foundation for Physical Therapy
   Beck Craik, Foundation Board of Trustees

I. APTA Nominating Committee
   Not present

J. Member Discussion (30 Minutes)

1. M Wampler and B Campione are co-chairing the Academy’s Implementation Science Work Group and thanked the volunteers who have stepped forward to support their efforts.

2. L Boright, representing the Michigan PT Association (MPTA): A state-level oncology SIG toolkit has been provided via the Academy’s website.
   a. The MPTA Oncology SIG continues to grow
   b. E Cook, current student at Oakland University, has been working to identify gaps in student knowledge, help connect interested students, and provide learning opportunities.

3. A Newstead, outgoing representative for IPT-HOPE and incoming Academy WCPT Liaison, congratulated the new Oncology Clinical Specialists.
   a. Next WCPT congress will be held in Dubai in 2021
   b. WCPT has undergone a name change and will now be known as “World Physiotherapy”
   c. Leaders are needed for worldwide special interest groups
   d. Next webinar - Challenges for Patients with Head and Neck Cancer - is scheduled for 3/5/2020

4. C Wilson invited membership to participate in an online research survey on health promotion, wellness, and disease prevention in oncologic physical therapy.

5. C Pfalzer recognized L Gilchrist as new Senior Editor and M Fisher as new Editor in Chief.
   a. January 2021 special issue will be dedicated to balance and falls.
   b. C Wilson and R Briggs recognized for efforts for January 2020 special issue on hospice and palliative care.
   c. Upcoming vacancies on specialty council will require volunteers.

6. L Gilchrist provided update on lymphedema CPG:
   a. Final revisions have been made to PTJ, anticipated publication summer 2020

7. K Campbell alerted membership of ICPTO being held in Copenhagen in May 2020

8. N Stout provided update from ACRM
   a. There is an interdisciplinary cancer networking group within ACRM (currently over 600 members)
      Current projects:
      1. Systematic review of technology and mobile health devices
      2. Systematic review of cancer rehab interventions related to functional outcomes
      3. Manuscript is forthcoming for exercise triage model

K. Motion to adjourn, 7:42PM: N Stout // Seconded: A Litterini
